

## THE PIMMIT HILLS

### DISTRICT REPRESENTATIVES NEWSLETTER April, 1953

#### CLEAN-UP, PAINT-UP CONTEST!!

Spring cleaning time is here! The Pimmit Hills Housing and Gardening Committee is sponsoring a "Clean-up, Paint-up" Contest. In addition to an opportunity to qualify for interesting winners' awards, all you "owners" and "renters" will be rewarded by a boost in personal pride in your home.

The contest begins NOW and will run until the last of May. Prizes will be given to those who have made their property the most attractive with paint, landscaping, ingenuity, a patio, garden, or other clever way of making your property more distinctive. Just plain old-fashioned neatness and good house-keeping will also be considered in the judging.

There will be more about the prizes at a later date. Already the O & R Construction Company has offered to contribute toward awards.

**MEMBERSHIP DRIVE:** One of the ways in which we can all contribute to our community effort is to subscribe to the Pimmit Hills Citizens' Association. All new residents, as well as other non-members, are urged to become paid-up members of the Citizens' Association at the special reduced rate of \$1.25 per household now in effect. Your District Representative will issue membership cards. All sections of Pimmit Hills are now districted so that every resident has the services of a District Representative available in his locality. In order to assist new residents in learning the locations of the districts and their representatives, we are enclosing with this News Letter a list of the names and addresses.

**LISLE AVENUE LANDSCAPERS:** Now that the entrance landscaping at Pimmit Drive and Leesburg Pike has begun to take shape, we wonder how interested all you who use the Lisle Avenue entrance are in planning improvements for your "front door"?

Mrs. June Henry, who organized the Pimmit Drive entrance program will be pleased to assist those interested in arranging details necessary to get a beautification program under way. If you would like to serve on such a committee group, please contact your District Representative.

**RED CROSS RESULTS:** Well over \$300 has been contributed according to co-chairmen Mrs. Biselo and Mrs. Brumsted. Assisting the co chairmen were Mrs. Brady, Hjertberg, Zelaska, Deputy, Galboldon, Leobold, Alexander, Spinelli, Harris, Cushman, Panella, Goer, Whyte, Prescott, Shumaker, Lewis, Prusak, Olberg, Sidwell, Wilson, Griffith, Master, Lahmann, Weekly, Wright, Delap, Hughes, Holmes, Donnelley, Case, Hall, McDonald, Zangrilli, Bouchey, Soyster, Bosco, Nalishnik, Hawkins, Harrierle, Dryden, Douglass, Blakemore, Northcutt, McNamee, Bradford, Travis, Lane, Ladner, Besser, and Miss Betty Smith.

**PIMMIT DRIVE EXIT:** Those using the Pimmit Drive exit will be pleased to note that the black and white bridge safety signs have been lowered so at least you can see what is happening out on the highway. While these signs are not exactly desirable so close to our entrance, it is understood that their installation is a serious highway safety program accomplishment.
