DISTRICT REPRESENTATIVES NEWSLETTER

HOME BEAUTIFICATION AWARD WINNERS ANNOUNCED !!

First prize winners are Mr. and Mrs. Antoine E. Herl, of 218 Pimmit Drive. Mr. and Mrs. Herl combined a typical, neat Pimmit Hills homesite with a most beautiful and unique treatment of the rear of their property.

Pimmit Run twists interestingly through the Herl lot, but in times of high water posed quite an erosion problem. By logging the problem banks, constructing a rustic fence alongside the stream, and a quaint footbridge over it to a picnic and garden site at the extreme end of the property, the Herls have created a beautiful scene from a once-problem location. Several large tulip trees situated on the banks of the stream enhance the natural setting. (See complete list of winners on the second page)
