WE THINK Pimmit Hills is extremely fortunate in the number of talented, intelligent individuals who have in the past served as officers of our citizens' association. We are no less fortunate in our elected officials for the coming year, as will become immediately apparent as we become acquainted with the following:

#### PRESIDENT:

CHARLES R. LEWIS, 400 Leonard Road. Mr. Lewis, originally from Iliion, N. Y., has been a resident of Pimmit Hills since February, 1952. He holds an AB degree in geology from Hamilton College, and is presently a geologist with the U. S. Geological Survey, Department of Interior. He has taken an active interest in the citizens' association since 1952, was a district representative for several years, was chairman of the membership committee last year, and in 1955 served briefly as president of the association before being sent out of the country on a field assignment.

#### SENIOR VICE PRESIDENT:

ROBERT PRINTZENHOFF, 402 Lisle Avenue. Mr. Printzenhoff was born in Pennsylvania, educated in schools in Muncy, Pa., and has been a resident of Pimmit Hills since April, 1953. He is presently a letter carrier with the Arlington Post Office, and has been active in association activities since 1953. In that year he worked with the public utilities committee in obtaining bus service for the area, and during the past two years has been a member of the executive committee. He served as regional vice president from region E in 1955-56, and was sgt-at-arms during the past year.

## SECRETARY:

Mrs. Quentin Wahl, 506 Lisle Avenue. Alise was born in Richmond and was raised in Bowie, Md. She attended schools in Maryland and for ten years worked as secretary for several government agencies, including a long period with the National Park Service. She is presently a housewife, engaged in raising her two children. She is an active member of St. Luke's Church, is on the executive board of the Pimmit Hills Teen Club, and has volunteered to act as assistant director of this year's summer recreation program.

## TREASURER:

GERALD THOMPSON, 2114 Hileman Road. Mr. Thompson was born and raised in Fairfax County and has been a resident of Pimmit Hills since 1954. He attended Fairfax County primary and secondary schools and holds degrees in accountancy from Strayer College in Washington, D. C. Shortly after he received his CPA certificate in 1956, he became a member of the accounting firm, Thompson and Greenspon, in Fairfax, Virginia. He has shown a marked interest in the association's affairs and purposes since he has been a resident here.

## SGT-AT-ARMS:

MARK ENGER, 300 Kilgore Street. Mr. Enger was born in Iowa and has been a resident of the area since June, 1955. He holds a BS in engineering from Iowa State College and is presently an engineer with the Marketing and Research Division of the U. S. Department of Agriculture. He is an active member of the Langley Lutheran Church; with his wife, he publishes the monthly church news bulletin; he teaches an adult Sunday school class and is presently a member of the future site committee for the church.

## VICE PRESIDENT - REGION A

HUGH GRESHAM, 1912 Patterson Road. Mr. Gresham was born in Salem, Va., moved to the Washington area in 1942 and has lived in Pimmit Hills since March 1951. He attended Business College in Roanoke, Va., and is presently employed by the federal government. Mr. Gresham was a member of the citizens' association when it started back in 1951 and his interest has continued through the past six years. He has served as a district representative, was a member of the Welfare and Recreation committee, helped set up the first local summer recreation program, and has been active in the street improvement project in Sanitary District 8. In addition, Mr. Gresham belongs to the US Naval Reserve and is an active member of St. Luke's Methodist Church, presently serving as Chairman of the Commission on Missions.

## VICE PRESIDENT - REGION B

GERALD TITHERINGTON, 408 Pimmit Drive. Mr. Titherington, originally from Rhode Island, was educated in Woonsocket, R. I. schools. In September, 1951 he moved to Pimmit Hills and for the past six years has taken an active interest in association affairs. He has served as district representative, was a member of the special recreation center committee and, for the past two years, has served as vice president from Region B.

VICE PRESIDENT - REGION C

HANS MOSES, 2000 Charri Drive. Mr. Moses is well known to most of us who attend meetings regularly; he has been an articulate member of the association since moving to Pimmit Hills from New Jersey in early 1951; he has served with several association committees, but is probably best known for his cogent reasoning and compelling arguments delivered on the floor of many association meetings.

VICE PRESIDENT - REGION D

NICHOLAS KAKALEC, 302 Fisher Drive. Mr. Kakalec has been an active member of the association since 1952, when he became a resident of Pimmit Hills. He has served on several committees and last year was regional vice president from his area. Born and raised in Pennsylvania, he attended schools in McAdoo, Pa. and is presently studying business administration at George Washington University. Mr. Kakalec is a management analyst with the Bureau of Supplies and Accounts.

VICE PRESIDENT - REGION E

PAUL CULLER, 2308 Cherri Drive. Mr. Culler, originally from Ohio, moved to Pimmit Hills in June, 1953. He has a BA from George Washington University and is presently Deputy Technical Liaison Officer, Office of the Chief of Transportation, Department of the Army. He is Chairman of the Survey and Promotion of Building for St. Luke's Methodist Church and has been generally active in church affairs. Although he has not been previously active in the association, Mr. Culler has indicated strong sympathy with association aims, and will bring needed new blood to the executive committee.

VICE PRESIDENT - REGION F

JAMES HERBY, 2113 Hillside Drive. Mr. Herby moved from New York City to the Washington area in 1951, and since 1954 has been a resident of Pimmit Hills. He holds a BA in sociology from Columbia University. From 1951 to 1956 he worked in the employment placement field with the Department of the Army. He is presently Personnel Officer with the U. S. Post Office Department in Washington. Mr. Herby has shown strong interest in the citizens' association and during the past year was a member of the membership committee.

**GARDEN CLUB MEETING:** The regular meeting of the Green Thumb Garden Club will be held Wednesday, June 12, 8:30 P.M. at Pimmit Hills School. Mrs. Roland Hutchings, of Arlington, will lecture on Growing and Exhibiting Roses. Members are to bring horticulture specimens. There will be no regular meeting of the garden club during July and August.

**PLEASE SEND HEARTY THANKS:** Since this is the last newsletter of the 1956-57 membership year, we, the executive committee, would like to express our warm appreciation for the support we have received during the past year in carrying out the programs of the association. We are especially grateful to the many individuals who gave so unstintingly of that commodity-more-precious-than-gold, time, because it is these, and people like them, who have made the association an effective organization.
